This is a long awaited book. It always seemed that it was Kevin's task to write it. He was the mouth piece for the Archangel Metatron and the Ascended Master Djwhal Khul. Kevin left the incarnation in June 2009 without starting. The words you are now holding in your hand are a gift from Spirit; from Kevin, Metatron and Djwhal Khul. In this book there are not just words but through it flows healing and inspiration. It includes channellings, meditations, mini processes and an Archangelic Horoscopes. Some of the ideas may be new and challenging. It is my prayer that it informs, inspires and above all revolutionise the way Healing, Health and The Angelic Kingdom are viewed. Christine Core Angelic Reiki is the pure joy of working hand in hand with the Angelic Kingdom of light. Angels have guided you to this place. Christine Core presents the birth, growth and purpose of Angelic Reiki with beautiful clarity, proving it to be a unique and sacred gift to humanity. This book is packed full of profound spiritual truths and gives the reader uncompromising insights into our journey on the spiritual path. A must read for all those wishing to deepen their connection to the angelic realms. " Claire, Paradigm Shift Magazine

Haripriya's connection with the angels began a decade back, when they helped her cope with the passing on of her grandmother and helped remove a lot of fear and dark energy. Thereafter, she has communicated with the angels at crucial moments in life and expressed her deepest feelings to them. Not only did they listen, but they also responded with unconditional love by sending help in the form of people or altered circumstances. This book is written from such a place of unconditional love. The kindness and wisdom that are present in each story are empowering the readers to grow spiritually, to rediscover their inner strength and the connection to the divine angels. The gift of Reiki, the universal life force energy which helps us heal ourselves and others and connect to our true divine nature, has strengthened the connection and made the communication easier, clearer, and more powerful. The stories and techniques shown here are part of a long term collaboration with the Reiki portal Reiki Rays, and can be found in the archives of their website. The book is a compilation of the Haripriya's most appreciated articles, arranged in a way that flows naturally and makes for an easy and inspiring lecture. To fully understand and to be able to apply the techniques described in this book, the reader should already be introduced to the healing magic of Reiki.
