Ballet is linear; emphasizing form, extension, and lightness in the body. This can clearly translate well into certain styles of jazz dance and modern dance (such as Horton or Graham Technique). However, other styles of dance, such as release technique, hip-hop, and others, will require you to throw out all of that ballet technique.

This is a good book offering the background of Ballet and Modern dance. It was nice to have one place to go for both, and it offers a much more extensive history than most technique books that give one page or so to history. The Ballet section focuses on the art form as a theatrical art - not information proceeding this (fine with me).

Modern dance varies from leaps and jumps to steps performed on the ground. Classical music always accompanies Ballet. Music for Modern dancing uses unusual instruments and lots of drums. Ballet dancers wear a tutu or a dress, while modern costumes can have a skirt or pants. Sometimes modern costumes are very simple, and other times more elaborate. Ballet is always done in ballet slippers, or sometimes pointe shoes that allow dancers to be on the tips of their toes. Modern is done barefoot.

Modern dance began in the late 1900's. Modern dance was born in America during the turn of the 20th century when a number of choreographers and dancers rebelled against the two forms of dance that were prevalent at the time: Ballet and Vaudeville (which was a dance that developed after the civil war). Modern dance is basically a reflection of each individual's feelings and their emotions which have transpired through the dance steps.

### **Modern(Contemporary) Dance - Ballet And Modern Dance**

Modern Dance started in the 20th century. As a reaction on the ballet technique - Modern dance was looking for more freedom within the techniques and /or more use of gravity. Modern dance would use the floor for example, other where ballet dancers stay on their feet. The themes of the performances changed.

Contemporary Ballet is a genre of dance that incorporates elements of both classical ballet and modern dance. Often confused with modern dance (which is a separate style of dance all its own), contemporary ballet represents a departure from the restraints of traditional classical ballet technique and traditional rules of composition. Contemporary ballet has roots in the classical technique and vocabulary, but uses those roots as a place to explore, experiment, and challenge tradition.

Modern dance Expressionism. Modern dance, the other major genre of Western theatre dance, developed in the early 20th century as a series of reactions against what detractors saw as the limited, artificial style of movement of ballet and its frivolous subject matter. Perhaps the greatest pioneer in modern dance was Isadora Duncan. She believed that ballet technique distorted the natural movement of the body, that it "separated the gymnastic movements of the body completely from the mind ...
