Chester 5000 XYV - Jess Fink
Chester 5000 is born. Chester is the perfect tool to soothe Pricilla's desires... but what if Chester is more than just a machine? What are the consequences of attempting to engineer love? A sepia-toned delight for adult readers of all stripes, Jess Fink's Top Shelf debut reads like a whimsical love-child of steampunk, silent film and erotic comics.

“Chester 5000 is everything I wish I could be in a robot boyfriend and Jess Fink is everything I wish I could be as an artist. This is the most sexcellent book you will ever read.” —Rich Stevens, author of Diesel Sweeties “Is there any finer thing than a gorgeously drawn and visually engaging sexy-Victorian steam-punk robo-love story? Chester 5000 is absolutely wonderful, custom-built ...

Chester 5000 (Book 1) / Top Shelf Productions

Chester 5000 XYV is a story driven erotic comic set in the Victorian era. It contrasts with the common standard in that it doesn't use those unnecessary, superfluous things they call words. The story is told solely by the ink-washed images (with the exception of some sound effects), and the names of the characters are unknown (with the exception of Chester). It's also explicitly sexual, not ...
