Click: The Magic of Instant Connections: Brafman, Ori ...

Brothers Ori & Rom Brafman describe this as "quick-set intimacy" - and they say we can increase the number of these connections we experience with others. They say there are benefits to "clicking" with people. First, clicking brings about a unique, almost euphoric state, one that we describe as "magical."

Click: The Magic of Instant Connections - And How They Can ...

About the book: Click delves into the miraculous topic of quick-set intimacy and explores what 's at work when we 're instantly drawn to some person or thing. It examines how and why clicking makes our life more meaningful and outlines the (very ordinary) factors that can make such "magical" connections more likely.

Click: The Magic of Instant Connections | IndieBound.org

Click: The Magic of Instant Connections is a slim little volume that resists easy classification. I suppose you could call it a book on psychology, as it explores a particular phenomenon that isn't well-researched: how people connect with each other. From Chapter 1: This book is about those mysterious moment — when we click in life.

Book Review: Click, The Magic of Instant Connections ...

If you've ever met someone and instantly hit it off, the book Click can tell you why it happened. In this short and fascinating read, Ori and Ron Brafman state that certain factors must be present for two people to have what is called "Quickset Intimacy" (a.k.a. that magic moment when two people just click).
