from the primary grades as struggling readers. One way in which to help these students is with additional practice in word study.

Understanding the structure of words provides useful information to readers when they are figuring out meaning and pronunciation. Elements such as prefixes, suffixes, and roots are invaluable when encountering new words.

from the primary grades as struggling readers. One way in which to help these students is through additional practice with high-frequency words. High-frequency words are often called sight words because readers need to know them at a glance. Since 100 high-frequency words make up about half of all the words found in books, it is
