Foolish Games: An Out of Bounds Novel by Tracy Solheim ...

Foolish Games is the second Out of Bounds novel, but it can be read as a standalone. The hero and heroine of the first book, Game On, do appear, which should delight fans of that story. Personally, I thought the highlight of Foolish Games was Will's teammate Brody.

A Hail Mary play for the heart. Bridal designer, Julianne Marchione knows better than to lose her head at a client's wedding. But, much to her embarrassment, a mix of migraine medication and a smoking hot football player lead to a steamy one-night stand resulting in a surprise pregnancy. Julianne has every intention of leaving her NFL hookup far in the past until her son, Owen, is born with a life-threatening blood disorder that requires a transfusion—and Julianne is not a match. Will "William the Conqueror" Connelly grew up tough shouldering the stigma of being a bastard child born on the wrong side of the tracks He refuses to let any child face the same discrimination. When he finds out about Owen, he's furious that Julianne kept his son a secret. But when he sees her again at the hospital, he realizes that his feelings for her go far beyond anger. Will insists that Owen recuperate at his home in North Carolina, and he's adamant that Julianne become his wife—even if it's only a temporary marriage in name only. But will their simmering attraction ever lead to a real connection? Or are they just playing foolish games? This title was previously released with a different cover

In the next sizzling sports romance from the author of Foolish Games, Brody is at the top of his game... until Shannon changes the rules. Baltimore Blaze tight end Brody Janik is a natural-born football star. At twenty-seven, his record-breaking athletic performance and his cover-boy good looks have turned him into a household name. But Brody's hiding a major secret behind his charming public persona: a health condition that may cut his career short. PhD candidate Shannon "Shay" Everett works multiple jobs to put herself through school—including an unpaid internship with the Blaze training department. Strapped for cash, Shay answers the call of an NFL gossip blogger to uncover personal details about the Blaze players. Sneaking into the locker room one night, she gets entangled in Brody's secret...and swept up by his charm. Brody isn't sure what to make of the gawky girl with the whiskey eyes, especially when he

discovers she was snooping. His first instinct is to turn her in as a snitch, but she could destroy him by sharing his secret. Instead, he decides to keep her close...perhaps closer than either of them originally intended...

The only way to win is to score... With a reputation for fast moves on the gridiron and even faster moves off the field, Shane Devlin is a player in every sense of the word. Unfortunately, his bad boy persona has made him a risky prospect as a quarterback—and only the Baltimore Blaze are willing to give him a chance. But he's is about to take a hit he never expected. Working for the Blaze, Carly March knows too well how jocks think—and what they think with—so she's always made a point of keeping ballplayers at arm's length. But when she shares a kiss with the devilishly handsome Shane, she finds it hard to play by her own rules—and even harder to resist him Can a football hero and a business-minded beauty try to take it all the way? Or will their mutual attraction cost them the big game? This title was previously released with a different cover.

The author of Risky Games returns with a football team owner who's a real player and the woman who's ready to call him out on everything... Dot-com millionaire Jay McManus is discovering that owning a pro football team isn't as easy as his other hobby of wine-making. An anonymous blogger is out to destroy his reputation, and now his team, the Baltimore Blaze, is named in a highly contentious workplace violation lawsuit brought on by the team's cheerleaders. If Jay's not careful, he could lose big—and not just financially. When Bridgett Janik's law firm accepts the case representing the Baltimore Blaze, she's not thrilled to be defending Jay McManus, the man who broke her young heart. It's bad enough her brother is one of the team's stars and she has to mingle with Jay during games, but working side-by-side her lover-turned-enemy may be too much for her body—and her heart—to resist. Jay never makes the same mistake twice and he's determined not to let Bridgett slip away from him a second time. But, as the two follow the mysterious blogger's trail, secrets—both past and present—are revealed and Jay and Bridgett must decide if their relationship can be something more than just sleeping with the enemy. This title was previously released with a different cover.

Milwaukee Growlers Football Book 1 It was supposed to be just for kicks... Andi Larsen learned early on there is no such thing as fairy godmothers. A childhood spent in foster care will do that to a girl. She's working her way through night school and is on the cusp of establishing her own business without help from anyone, thank you very much. But when her deadbeat ex steals her identity, amassing a staggering debt in her name, her fairy godmother appears in the guise of a spunky, Fireball whisky-wielding septuagenarian. The older woman's solution for Andi? Tie the knot with a kilt-wearing, moody jock whose legs look sexier in a skirt than hers do. Declan Fletcher never intended to be a place-kicker for a professional football team. But fate had other plans. Exiled from his beloved Scotland a decade ago, Dex is now a superstar athlete known throughout the league as the "Man with the Million Dollar Leg." But when a mix-up in his immigration paperwork threatens to send him home before the season begins, he'll do anything to avoid deportation and facing his greatest mistake. Even if it means marrying a pink-haired waif of a lass with eyes that seem to see everything he's determined to keep hidden. A grumpy cat, nosy teammates, and a sizzling sexual attraction make their marriage of convenience anything but convenient.

Back to Before takes readers back to Chances Inlet, North Carolina, the scene of Foolish Games. In this book, Gavin gets his second chance at love. (This title was previously published with a different cover.) Chances Inlet, North Carolina, has an infamous power for second chances. But its charms are lost on the town's favorite son—until she comes along... When his father's sudden death puts his family's construction business in serious debt, architect Gavin McAlister is forced to put his dream career in New York on hold. Making matters worse, his fiancée calls it quits. Desperate to return to his big-city life, he discovers an opportunity to save his family, one that has him reluctantly starring in a home restoration TV show. Former soap star Ginger Walsh hopes this job as a TV makeup artist will lead to better things. So far it's only brought her to a hamlet full of people who don't like her—except Gavin. After a wild night out leads to Ginger waking up in Gavin's loft—and the rest of town talking—the two of them soon wonder if getting back to before is what they want. Because being in each other's arms certainly feels like what they need.

Just when he was at the top of his game... She changed the rules. Baltimore Blaze tight-end Brody Janik is a natural born football star. At twenty-seven, his record-breaking athletic performance and his cover-boy good looks have turned him in to a household name. But Brody's hiding a major secret behind his charming, public persona: a health condition that may cut his career short. PhD candidate Shannon 'Shay' Everett works multiple jobs to put herself through school—including an unpaid internship with the Blaze training department. Strapped for cash, Shay answers the call of a NFL gossip blogger to uncover personal details about the Blaze players. Sneaking in to the locker room one night, she gets entangled in Brody's secret... and swept up by his charm. Brody isn't sure what to make of the gawky girl with the whiskey eyes, especially when he discovers she was snooping. His first instinct is to turn her in as a snitch, but she could destroy him by sharing his secret. Instead, he decides to keep her close... perhaps closer than either of them originally intended. This title was previously released with a different cover.

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of One of Us is Lying and Knives Out. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire

fortune. The catch? Avery has no idea why -- or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House, where every room bears the old man's touch -- and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Heir apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

It is a simple and fun story with beautiful illustrations. The story is about a young wolf who decide to leave his pack and go hunting alone in places where he's never been before. He discover that being alone is not as easy as he thought it will be, but not before going through some fun adventures. It is a great book to be read to young children, but in the same time it is an easy to read book for children who discover the magic of books by themselves.

Josh Ives is the boss who goes on one business trip then comes back with the unexpected... As co-owner of Ives & Wells, I'm ready to nail the most important business trip of my career. But does it have to include my business partner's moody younger sister, Layla? Yes, it does, and she happens to be escorting me to New Orleans. As much as we hate each other, it isn't completely crazy. Technically, she's an employee and someone decided I should be her boss. But one fight after another leads us to an explosion in the bedroom... more than once. I definitely wasn't planning on nailing more than a good business deal on this trip. Unfortunately, our plan to leave the antics in the bedroom and out of the office falls apart as soon as we return home. First, because some of our mutual talents can't be forgotten. Two, because there is a business partner that may kill me as soon as he figures out what happened. And three, because some secrets can only be kept for so long, give or take nine months. The Unexpected Card is the first standalone novel from the Mr. Boss series. This workplace romance is filled with banter, a swoony boss, steamy times, and surprises along the way. Keywords: workplace romance, office romance, brothers best friend romance, surprise pregnancy romance, romantic comedy boss, enemies to lovers
