Green to Gold is a program designed to allow qualified and inspired young enlisted soldiers to return to college, receive their baccalaureate degree, and earn a commission as an Army officer. Enlisted members who meet the prerequisites can either apply for a 2, 3, or 4-year scholarship or can participate in the Green to Gold program without applying for or earning a scholarship.

Army Green to Gold Enlisted Commissioning Program  
Based on the authors' rich experience with forward-thinking companies around the world, Green to Gold demonstrates how corporations create value by building environmental thinking into their overall business strategies. Daniel C. Esty and Andrew S. Winston provide clear 'how to' advice for making sense of environmental challenges, and they offer detailed case examples of how companies achieve both environmental and business success—establishing an eco-advantage in the marketplace.
