Jeannie Out of the Bottle: A Memoir: Eden, Barbara, Leigh ...

Jeannie Out of the Bottle by Barbara Eden was just the book I was waiting to read. I loved I Dream of Jeannie when I was little and still do. Ms. Eden discusses her life in film and TV as well as life on the Jeannie set with her costars. Her personal life was not so wonderful as she struggled with many marriages and a son who was addicted to drugs.

Just when Jeannie Out of the Bottle threatens to become a mere litany of coddled-star antics, Eden bares her guilt over two wrenching personal tragedies: the still-birth of her second son in 1971, which she attributes to her unnecessarily brutal performing schedule, and her older son's drug abuse, which started in the wake of her first divorce and culminated in his accidental death from a heroin overdose at age 35 in 2001.

The star of I Dream of Jeannie

offers behind-the-scenes stories from the show as well as anecdotes from her other professional projects and heartfelt revelations about a stillborn child, a verbally abusive drug-addicted husband and the accidental heroin-related death of her adult son. Reprint. A best-selling memoir.

A magical, heartwarming memoir from one of Hollywood's most beloved actresses, best known for her iconic role on I Dream of Jeannie The landmark NBC hit television series I Dream of Jeannie has delighted generations of audiences and inspired untold numbers of teenage crushes on its beautiful blond star, Barbara Eden, for decades. Part pristine Hollywood princess and part classic bombshell, with innocence, strength, and comedic talent to spare, Barbara finally lets Jeannie out of her bottle to tell her whole story. Jeannie Out of the Bottle takes us behind the scenes of I Dream of Jeannie as well as Barbara's dozens of other stage, movie, television, and live concert performances. We follow her from the hungry years when she was a struggling studio contract player at 20th Century Fox through difficult weeks trying to survive as a chorus girl at Ciro's Sunset Strip supper club, from a stint as Johnny Carson's sidekick on live TV to tangling on-screen and off with some of Hollywood's most desirable leading men, including Elvis Presley, Clint Eastwood, Paul Newman, and Warren Beatty. From the ups and downs of her relationship with her Jeannie co-star Larry Hagman to a touching meeting with an exquisite and vulnerable Marilyn Monroe at the twilight of her career, readers join Barbara on a thrilling journey through her five decades in Hollywood. But Barbara's story is also an intimate and honest memoir of personal tragedy: a stillborn child with her first husband, Michael Ansara; a verbally abusive, drug-addicted second husband; the loss of her beloved mother; and the accidental heroin-induced death of her adult son, just months before his wedding. With candor and poignancy, Barbara reflects on the challenges she has faced, as well as the joys she has experienced and how she has maintained her humor, optimism, and inimitable Jeannie magic throughout the roller-coaster ride of a truly memorable life. Illustrated with sixteen pages of photographs, including candid family pictures and rare publicity stills, Jeannie Out of the Bottle is a must-have for every fan, old and new.

One of Hollywood's most beloved icons reveals all in this magical memoir. Over the past four decades, the landmark television series I Dream of Jeannie has enchanted several generations of fans around the world, and inspired millions of teenage crushes on its beautiful blonde star, Barbara Eden. Part classic bombshell and part pristine Hollywood princess, Barbara finally lets Jeannie out of the bottle to tell her whole story, including life behind the scenes of an extraordinary showbusiness career that reads like a who's-who of Hollywood, working alongside stars like Marlon Brando, Warren Beatty, Lucille Ball, Clint Eastwood, Paul Newman, Barbra Streisand, and many more. But beneath all the glitter, Barbara was dealt more than her fair share of personal tragedy: a still-born child, a verbally abusive cocaine-addicted second husband, and the tragic accidental heroin-induced death of her beloved only son. As much a powerful woman's story about overcoming personal tragedy as a behind-the-scenes expose of Hollywood, Barbara shares with trademark warmth and candour the challenges she has faced and how she has maintained her optimism, sense of humour and inimitable Jeannie magic throughout the rollercoaster ride of a truly memorable life.

The star of I Dream of Jeannie

discovers a book that transports her to a magical land, she discovers

The popular entertainer looks back on his extensive career, reminiscing about productions ranging from "The Dick Van Dyke Show" to "Mary Poppins" while describing his relationships with such figures as Carl Reiner and Mary Tyler Moore.

Choice Outstanding Academic Title, 1996. Pictures of oil as the glittering prize, the source of global power and empires, or the hub of an energy crisis have gushed through the media since 1973. What actually happened was very different. M. A. Adelman had written in 1970 that "the genie is out of the bottle," that a group of oil producing countries would control the oil trade to raise prices. Now, twenty-five years later, he has written the fascinating history of the greatest monopoly ever known. The underlying economic analysis is contained in the companion volume The Economics of Petroleum Supply. Oil was in oversupply in 1970. The oil companies could not keep prices from falling. But the members of OPEC (Organization of Petroleum Exporting Countries) could and did raise prices by restraining output. However, they first had to restrain each other: an endless task, since each of them would gain by cheating on the others. With open and secret agreements, formal and informal, they "tried to fine-tune with coarse instruments," resulting in the so-called energy crisis. Adelman describes the first timid steps to the "unbound cartel." He shows how the producing nations overestimated their power, why they had short time horizons and raised the prices too high for their own good. But after prices declined, then crashed in 1986, the producing nations managed to hold a lower price level. Despite the trillions of petrodollars that fed two major wars, Adelman observes that nearly all OPEC nations are in debt. Non-OPEC production grows, but the cartel survives and the unstable market with it. Price hawks and doves may be good copy, Adelman notes, but in fact there was never an Arab "embargo" against the United States, nor any moderating influence by the United States. Since we must in our own interest protect the Persian Gulf producers, they understandably do nothing to oblige us.

The star of I Dream of Jeannie

Based on author Herbie J Pilato's exclusive interviews with Elizabeth Montgomery prior to her death in 1995, Twitch Upon a Star includes insider material and commentary from several individuals associated with her remarkable life and career before, during, and after Bewitched, including her classic feature films The Court Martial of Billy Mitchell (1955), Who's Been Sleeping In My Bed? (1963), and Johnny Cool (1963). Two of Montgomery's many popular TV movies, A Case of Rape (which remains one of the highest-rated TV-movies of all time) and The Legend of Lizzie Borden (which will soon be remade as a feature film), were groundbreaking and remain classics. But Twitch Upon a Star also goes behind the scenes to explore Montgomery's political activism, including her early advocacy for AIDS sufferers and the peace movement; her support for all minorities, including the gay community and the disabled; and her controversial participation as narrator of the1988 feature film documentary Cover-Up and its 1991 Oscar-winning sequel, The Panama Deception (both of which chronicled the Iran/Contra scandal of the 1980s). The book also explores Montgomery's tumultuous relationships with her father, screen legend Robert Montgomery (she was a liberal; he was a staunch conservative), and her four husbands (including actor Gig Young, who later died in a murder/suicide). Through it all—and to family and friends such as fellow performers Ronny Cox, Sally Kemp, and Florence Henderson—she was just Lizzie: down-to-earth and unaffected, just like Samantha, the "witch-with-a-twitch" Stephens, her most famous role.

This is the story of when I was a teenage girl living in the late 60's. The times were changing back then with the turbulence of the Vietnam war raging. During a time when the young people were rising up and rebelling against the status quo. A time of self discovery. Making my way to the Woodstock Pop Festival in 1969. And the life lessons I learned that would help me later on in life. Being a part of history in the making, and being known as the girl with the wine bottle in the Special Edition of Life Magazine. Living out the life style that I chose of becoming an ambassador of peace and love. Carrying the torch for 50 years. Then going back to the original site for the 50th Anniversary. Coming full circle in healing of past relationships and discovering restoration.
