A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script—and hearing native-speakers read them aloud in the accompanying free audio recording—helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history.

Essential Japanese Kanji uses a natural approach to learning the most basic kanji encountered in everyday situations in Japan. This new edition is packed with fun quizzes and useful exercises for those wishing to improve their Japanese ability. It has been repackaged in a more compact, value-for-money size while losing none of the content that has made it a long-selling favorite. Key features of Essential Japanese Kanji include: Introductory quizzes to introduce everyday situations in which the Kanji are used A vocabulary section to help you understand the readings and meanings of each Kanji New character charts presenting all the Kanji clearly and systematically Definitions, readings, stroke orders and compounds for each character Practice sections help you to improve your skills Advanced Placement Exam practice questions follow the format of the College Board exam Everyday tasks like finding a street address or buying a train ticket in Japan require a basic working knowledge of kanji—the Japanese system of writing based on Chinese characters. Essential Japanese Kanji, teaches you the kanji you'll need in everyday situations in lessons prepared by teachers from the prestigious University of Tokyo.

Grammatical terms - Characteristics of Japanese grammar - Basic conjugations - Verbs - Connection forms of important expressions - Numerals and counters - Compound words.

'Japanese for Busy People' is a concise course for students who want to learn natural spoken Japanese as effectively as possible in a limited amount of time. This workbook contains illustrated exercises that build on and reinforce skills acquired through study of the main text.

NEW! In addition to the 1,445 MP3s of each Vocabulary and Example Sentence, we now added eight "chapter" MP3s which combine the Japanese vocabulary word, the example sentence, and then the English translation. We put these eight MP3s together so you can listen while driving, while walking the dog, or while going through the book. The FREE download link is found on the last page. Taking the Japanese Language Proficiency Test is a great way to not only assess your Japanese skills, but also to give yourself a concrete goal for your learning. I am a firm believer in setting goals. It is the quickest way to make progress. Unfortunately, with goal-setting, there is usually the problem of maintaining motivation. By paying money and making plans to sit in a test (usually) in a different city; however, you are making a major investment of time and money. There are few pressures in life that can motivate better than time or money. That's why we always recommend any serious student of Japanese to sign up and study for the JLPT. Japanese Vocabulary for JLPT N5 covers all the vocabulary needed to pass the Japanese Language Proficiency Test level N5. This is the easiest of the test levels and is suitable for beginners who have mastered hiragana. Add the 1,445 MP3s to your MP3 player, iPhone, or computer and listen while studying the book. Eight large MP3 files are also included. These have each word followed by the example sentence for sequential learning.

Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels. Long the standard in Japanese language education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come. A strong foundation in grammar is vital to those wishing to learn Japanese as a whole. Essential Japanese Grammar presents a number of unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (kana and kanji) followed by romanji and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs, adjectival nouns, clauses adverbs, etc. This Japanese grammar book contains: parts of speech. sentence constructions. conjugations forms. speech styles and tones. accentuation rules. essential words and functional elements. an appendix for referencing and cross-referencing Japanese words.

NOTE: This book is the SAME as the website but for those who prefer to have a physical copy in print now. Now in a smaller size from the previous orange version! The best website for learning Japanese grammar is now in print! My website (www.guidetojapanese.org) has been helping people learn Japanese as it's really spoken in Japan for many years. If you find yourself frustrated that you can't understand Japanese movies or books despite having taken Japanese classes, then this book is for you. It will help you finally understand those pesky particles and break down grammatical concepts that will allow you to comprehend anything from simple to very complex sentences. You will also learn Japanese that's spoken by real people including casual speech patterns and slang, stuff that's often left out in most textbooks. Don't take my word for it, just check out my website and order this book to have it handy wherever you go.

This volume gathers recent research findings in the field of foreign language (FL) teaching in Romanian higher education dwelling on both methodology and students' learning outcomes. The book satisfies the need for an up-to-date overview of FL teaching in Romanian universities in the European context as well as from a global international perspective. This book confers visibility to Romanian foreign language scholars' research and it opens new paths for debate and collaboration worldwide. The scholars included in this volume have extensive expertise in the field of foreign language teaching and research in higher education which is supported by their international recognition as specialists in their specific areas. The contributing authors approach their respective chapters relying on both qualitative and quantitative research. Their experience and conclusions will prove helpful for any foreign language professional working in tertiary education.
