Meet Beth and Doug, two people who have no problems getting dates with their partners of choice. After a drunken party and a hot night, they wake up to a blurry morning where the rules of attraction, sex, and society are waiting for them before their first cup of coffee. It's very awkward—and it also leads the pair to ponder how much they really know about each other, and how much they really care about what other people think. THE WAY WE GET BY is a play about love and lust and the whole damn thing.

Lured home a decade later, Manon and Thais discover their mother's legendary last work, long thought lost: *White Fox*, a screenplay filled with enigmatic metaphors. The clues in this dark fairytale draw them deep into the island's surreal society, to reveal the truth about their mother—and themselves. An Imprint Book
