From #1 New York Times bestselling author Alyson No   I comes the first book in the Beautiful Idols series. With mystery, suspense, and an insiders-only look at Los Angeles that echoes Gossip Girl   s racy and real New York, fans of Pretty Little Liars and readers who crave pulse-pounding romance will love Unrivaled. Everyone wants to be someone. Layla Harrison wants to be a reporter. Aster Amirpour wants to be an actress. Tommy Phillips wants to be a guitar hero. But Madison Brooks took destiny and made it her own a long time ago. She   s Hollywood   s hottest starlet, and the things she did to become the name on everyone   s lips are merely a stain on the pavement, ground beneath her Louboutin heel. That is, until Layla, Aster, and Tommy find themselves with a VIP invite to the world of Los Angeles   s nightlife and tured into a competition where Madison Brooks is the target. Just as their hopes begin to gleam like stars through the California smog, Madison Brooks goes missing. . . . And all of their hopes are blacked out in the haze of their lies.

"Since coming to Enchantment, New Mexico everything in Daire Santos life has changed. And not all for the better. While she's come to accept and embrace her new powers as a Soul Seeker, Daire struggles with the responsibility she holds navigating betweenhe worlds of the living and the dead"--

Don't miss Evermore, the first book in Alyson No   I's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

"This was supposed to be my best summer yet, the one I've been working toward since practically forever. Now I'm being banished from everything I know and love, and it just doesn't make any sense." Having recently discarded her dorky image—and the best friend that went with it—Colby Cavendish is looking forward to a long hot season of parties, beach BBQ's, and hopefully, more hook-ups with Levi Bonham, the hottest guy in school. But her world comes crashing down when her parents send her away to spend the summer in Greece with her crazy aunt Tally. Stranded on a boring island with no malls, no cell phone reception, and an aunt who talks to her plants, Colby worries that her new friends have forgotten all about her. But when she meets Yannis, a cute Greek local, everything changes. She experiences something deeper and more intense than a summer fling, and it forces her to see herself, and the life she left behind, in a whole new way, in Alyson No   I's Cruel Summer.

What's the best revenge when your best friend ditches you for the popular crowd? Alyson No   I reveals all in her hot new young adult novel, Kiss & Blog. As freshmen at Ocean High last year, Winter and her best friend Sloane thought they could ditch their nerdy past, launching from invisible to cool. But after another miserable year of standing on the sidelines they make a pact to do whatever it takes not to go unnoticed in their sophomore year, promising each other that whoever makes it into the cool group first will bring the other along. One Sloane gets a taste of life on the A-list, she slams that door in Winter's face. Suddenly cast out of her former best friend's life, Winter takes revenge the modern way: by announcing all of Sloane's dirty little secrets on an anonymous blog. Then the blog becomes more popular than she ever dreamed and Winter must decide if her retaliation is really worth the consequences—and if the price for popularity is one she's willing to pay. Once again, Alyson No   I navigates the tricky waters of the high school social scene with the heart and humor her readers have come to love.

A latest entry in the best-selling series continues the epic love story between Ever and Damen, who confront bitter rivals, jealous friends and their own worst fears in order to secure their eternal love. By the author of Radiance.
