In which part of North London were wild beasts once thought to roam the sewers? Why did 1920s working-class Londoners wear necklaces of blue beads? Who was the original inspiration for the 'pearly king' costume? And did Spring-heeled Jack, scourge of Victorian London, ever really exist? Exploring everything from local superstitions and ghost stories to annual customs, this is an enchanting guide to the ancient legends and deep-rooted beliefs that can be found the length and breadth of the city.

How long has a corpse been staring out at passengers on the tube? Was London Bridge really shipped abroad by an American thinking he'd bought Tower Bridge? Did the Queen really mix with the crowds as a princess on VE Day? And did Hitler actually want to live in Balham? Urban legends are the funny, frightening and fierce folklore people share. Just like the early folk tales that came before them, these tales are formed from reactions to spectacular events in the world, and reflect our current values. From royal rumours to subterranean legends, Scott Wood has researched and written about them with a sense of wonder, humour and a keen eye. He finds the truth, the myth and the lies amongst these tales.

This enthralling book will take you, month-by-month, day-by-day, through all the festivities of English life. From national celebrations such as New Year's Eve to regional customs such as the Padstow Hobby Horse procession, cheese rolling in Gloucestershire and Easter Monday bottle kicking in Leeds, it explains how they originated, what they mean and when they occur. A fascinating guide to the richness of our heritage and the sometimes eccentric nature of life in England, The English Year offers a unique chronological view of our social customs and attitudes

How long has a corpse been staring out at passengers on the tube? Was London Bridge really shipped abroad by an American thinking he'd bought Tower Bridge? Did the Queen really mix with the crowds as a princess on VE Day? And did Hitler actually want to live in Balham? Urban legends are the funny, frightening and fierce folklore people share. Just like the early folk tales that came before them, these tales are formed from reactions to spectacular events in the world, and reflect our current values. From royal rumours to subterranean legends, Scott Wood has researched and written about them with a sense of wonder, humour and a keen eye. He finds the truth, the myth and the lies amongst these tales.

A clear and well-illustrated guide to the main characters and legends of Judaism This book captures the richness and vitality of traditional Jewish culture: a web of legend, folklore and superstition that is crucial to understanding Judaism. Topics include Jewish law, literature and poetry; the festivals of the Jewish year; the languages and sub-groups within the Jewish community; and the many countries that Jews have lived in. The book also reveals another side of Judaism, a world populated by angels and demons, sages and Kabbalists, and creatures unknown to zoologists.

Where can you find the 'Devil's footprints'? What happened at the 'hangman's stone'? Did Sweeney Todd, the demon barber of Fleet Street, ever really exist? Where was King Arthur laid to rest? Bringing together tales of hauntings, highwaymen, family curses and lovers' leaps, this magnificent guide will take you on a magical journey through England's legendary past.

This Is A New Release Of The Original 1895 Edition. Being Some Few Examples Of Quaint And Bygone Beliefs Gathered In From Divers Authorities, Ancient And Medieval, Of Varying Degrees Of Reliability.

A cultural and social history of Britain's breads, cakes, and pastries through the ages, from the author of Dining with the Victorians. The Great British Baking Show and its spinoffs are a modern-day phenomenon, but the British, of course, have been baking for centuries!and here, for the first time, is a comprehensive account of how Britain's relationship with this much-loved art has changed, evolved, and progressed over time. Renowned food historian Emma Kay skillfully combines the related histories of Britain's economy, innovation, technology, health, and cultural and social trends with the personal stories of many of the individuals involved with the whole process: the early pioneers, the recipe writers, the cooks, the entrepreneurs. From pies to puddings, medieval ovens to modern-day mass consumption, the result is a deliciously fascinating read.
