Macbeth, a general in the King's army, is returning from battle when he's stopped by the sudden appearance of three witches who tell him one day he'll be King. At first Macbeth dismisses their predictions, but an evil seed takes root in his mind, and soon he is both convinced and impatient. Set against the moody backdrop of 11th century Scotland, this captivating, richly illustrated play takes readers into the claustrophobic mind of a man driven mad by ambition
