Who better than food and cocktails columnist Hayley Powell to book a caterer for the Island Times holiday party? But Hayley's quest for a cook turns into the pursuit of a killer who caters to no one. . . Office Christmas parties can sometimes mean career suicide--but they rarely lead to murder. Hayley thought Garth Rawlings would be the perfect caterer for this year's bash, but when the gourmet sees her budget, he goes galloping. Unfortunately his run is short-lived. Garth is found dead on the floor of his kitchen, with his delectable creations burning in the oven. Faced with a spread of suspects, Hayley is determined to discover who would want to take out the Christmas caterer, because--no matter what the season--justice must be served. . . Includes seven delectable recipes from Hayley's kitchen! Praise for Death of a Coupon Clipper "Hayley is a likable heroine that readers will cheer for as she manages to save the day and pay her bills." --Parkersburg News and Sentinel

Food and cocktails columnist Hayley Powell is not looking for love this Valentine's Day. Of course she also isn't planning on looking for a murderer. . . Fed up with dating after a disastrous setup, the only thing Hayley wants to snuggle up to is a box of made-to-order chocolates from plus-sized, plus-mouthed chocolatier Bessie Winthrop. But when Bessie is found dead in her kitchen, only Hayley suspects that Bessie's "heart attack" might actually be a candy-coated murder. Turns out Bessie had more enemies than a boxful of chocolates, each one a suspicious flavor. It's sticky business juggling a job, two teenagers and finding a killer, but it's better than letting a killer find Hayley first. . . Includes seven delectable recipes from Hayley's kitchen! Praise for Death of a Country Fried Redneck "Snappy pace, fun characters, and a clever plot. A tasty entrée for the culinary cozy crowd." --Library Journal

Among the most useful tools in the production of any TV show or film is the storyboard, which is the visual blueprint of a project before it is shot. The director's vision is illustrated in the manner of a comic strip and handed on to the crew for purposes of budgeting, design, and communication. Storyboards: Motion in Art 3/e is an in depth look at the production and business of storyboards. Using exercises, real-life examples of working in the entertainment industry, interviews with people in the industry, and sample storyboard drawing, this book will teach you how to : \* Develop and Improve your boards \* Work with directors \* Develop your resume and your portfolio \* Market your talent \* Create and improve a storyboard using computers Packed full of practical industry information and examples, this book will help the reader improve their skills to either land their first assignment or advance their career.

DIVin Porsche 911: 50 Years, bestselling author Randy Leffingwell celebrates a half-century of one of the worldâ€™s premiere sports cars, focusing on the major themes that have defined Porsche's rear-engined wonder. He tells the whole storyâ€”design and development, racing and competition, engineering and technology, style and culture. All the iconic 911 models are included: the original 901 prototype that set the standard; the legendary R5 models that made the little Porsche a dominant force on the worldâ€™s racetracks; the infamous Turbo, the car that kept the performance flame alight during the dark, dismal decade of the 1970s; the fabled 959, the model that redefined the term â€œsports carâ€; the 993, last of the original air-cooled models; and the 996, 997, and 991, the liquid-cooled cars that brought the 911 into a new millennium. But beyond telling the story of the cars, this book also spotlights the people behind them: Ferdinand â€œButziâ€ Porsche, the son of legendary Porsche founder Ferdinand â€œFerryâ€ Porsche, who co-designed the instantly recognizable 911 shape; Peter W. Schutz, the Porsche CEO who saved the 911 from extinction; and Dr. Helmuth Bott, the engineering genius behind many of the groundbreaking technologies that have defined the 911, including fuel injection, turbocharging, and all-wheel-drive. Leffingwell also tells the story of the 911 communityâ€”the clubs and culture that surround the car. Together, all of these facets make Porsche 911: 50 Years the most essential book in any Porsche fanâ€™s library /div

Unruly Media is the first book to account for the current audiovisual landscape across media and platform. It includes new theoretical models and close readings of current media as well as the oeuvre of popular and influential directors.

Porsche's fabled 911 represents the ultimate expression of Ferdinand Porsche's original vision of the perfect sports car. In The Complete Book of Porsche 911, author and photographer Randy Leffingwell provides a year-by-year overview of Stuttgart's most famous car, from the original 901 prototype to today's technologically advanced GT2 and GT3 derivatives and the latest 992-generation 911. Along the way, he highlights the racing, prototype, and limited-production cars—offering the most complete reference available to these top-tier sports cars. In this book, you'll find the air-cooled cars of 1963 to 1998, then the water-cooled 911s of 1998 to present day. With behind-the-scenes info on the evolution of this iconic sports car, this book offers the detail craved by Porsche enthusiasts. Illustrated throughout with images from Porsche's own historical archive and complemented by the author's stunning photos, along with detailed technical specification tables, The Complete Book of Porsche 911 offers a thorough account of one of the most beloved enthusiast cars ever produced.
