Complete First Certificate is a new course for the 2008 revised FCE exam. Informed by the Cambridge Learner Corpus and providing a complete FCE exam paper specially prepared for publication by Cambridge ESOL, it is the most authentic exam preparation course available. Complete First Certificate combines the very best in contemporary classroom practice with first-hand knowledge of the challenges students face. There are exercises to help students avoid repeating the typical mistakes that real FCE candidates make, as revealed by the Cambridge Learner Corpus. This topic-based course covers every part of the FCE exam in detail, ensuring that students are fully equipped to tackle each part of every paper. In addition, the accompanying free CD-ROM enables students to focus on their own particular areas of difficulty and work at their own pace. There is a Student's Book with answers and CD-ROM edition so students can study on their own or in class. The Teacher's Book offers plenty of time-saving consolidation and extension material, including photocopiable resources such as tests and activities.

The concept of Functional Patterns is a train of thought that has been building upon itself over the course of my entire lifetime. I was taught at a very young age to question authority and everything around me by my highly skeptical parents. My parents were extremely hard workers who were very resourceful with the little money they had. They lived by the "practice what you preach" motto in every sense they could. The apple didn't fall very far from the tree and I have embodied (to the best of my ability) what I was fortunate enough to be taught at a very young age. The Functional Patterns method didn't start with the memorization of techniques. It started at a base of reasoning that has seemingly been missing from the industry of health today. When ego checking experiences of life mixed with the values I had already wired in from my childhood, a different approach towards looking at the human organism emerged.
