LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

Reproduced from a rare edition, this book features 112 designs for homes of "comfort and refinement," with external views, floor plans, and other details. 400 illustrations.

Tells how clutches & transmissions work - gear, friction, & hydrostatic. Gives basics of service & repair of major types of drives, transmission, transaxles, & clutches used in compact equipment. Includes troubleshooting guides. It provides the reader with a list of skills & knowledge that should be learned with each chapter. CONTENTS: Basic principles, clutches, mechanical transmissions, hydrostatic transmissions, belt & chain drives, differentials, final drives, power take-offs, service & maintenance & troubleshooting.

Taken from the pages of the Sears Catalog, here are the fashion statements of the early 1970s. It was the age of the mini-skirts, hip-huggers, and bell-bottoms, skimp-sleeved pullovers and slink knit shirts. Using 400 original Sears illustrations, most in color, captions provide accurate and detailed information about the many fashions illustrated as well as original prices and today's values as vintage clothing.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

For many Americans, hearing the words, United States of America brings stirring emotions. It is the concept of e pluribus unumout of many, onethat summarizes the sense of national unity that Americans feel, and one that author Martin Street seeks to convey in Taking the Pulse of America. This compendium of 110 essays offers a snapshot of American life today. Street offers opinions and suggestions for many of the most contentious issues of our time. From hot button issues like abortion, illegal immigration, and waterboarding to the justice system, education reform, and government affairs, Street doesnt mince words. Often, Streets commentary is just as contentious as his subjects. Even so, he provides an honest, authentic voice to these conversations that have become part of our national lexicon. Whether he discusses unions, our throwaway society, or professional athletes, Street gives his straightforward, often politically incorrect opinions. A call to action for Americans to restore the United States of America to her former glory, Taking the Pulse of America is essential reading for every citizen.
