There's one girl called Rachel who walks a bit like Groucho Marx, a bloke with a club foot ... Corner's Rory Bremner put it, when the letters board confronted him with IODYGRIAF: "You ...

Reissued as a thirtieth anniversary commemoration of the comedic master's death, a whimsical fan's collection of his personal letters includes his correspondences with such figures as Harry Truman, Jerry Lewis, and T. S. Eliot. Reprint. 15,000 first printing.

THE GROUCHO LETTERS enjoys the very best of Groucho's correspondence with the greatest wits and minds of his day. Correspondents include James Thurber, T.S. Eliot, President Harry Truman, Edward R. Murrow, Jerry Lewis, Howard Hughes, Irving Berlin and of course, Chico, Harpo and Gummo. He writes to comics, corporations, children, presidents, and even his daughter's boyfriend. Here is Groucho swapping photos with T. S. Eliot ('I had no idea you were so handsome!'); advising his son on courting a rich dame ('Don't come out bluntly and say, "How much dough have you got?" That wouldn't be the Marxian way'); reacting with utmost composure when informed that he has been made into a verb by James Joyce ('There's no reason why I shouldn't appear in Finnegans Wake . I'm certainly as bewildered about life as Joyce was'); and crisply declining membership in a Hollywood club ('I don't care to belong to any social organization that will accept me as a member'). No personage is too big, no nuance too small, no subject too far-out for Groucho's spontaneous, hilarious, and ferocious typewriter.

Nearly 200 letters written by the legendary Marx to his daughter Miriam provide a rare glimpse of the complex man behind the mustache

Born Julius Marx in 1890, the brilliant comic actor who would later be known as Groucho was the most verbal of the famed comedy team, the Marx Brothers, his broad slapstick portrayals elevated by ingenious wordplay and double entendre. In his spirited biography of this beloved American iconoclast, Lee Siegel views the life of Groucho through the lens of his work on stage, screen, and television. The author uncovers the roots of the performer's outrageous intellectual acuity and hilarious insolence toward convention and authority in Groucho's early upbringing and Marx family dynamics. The first critical biography of Groucho Marx to approach his work analytically, this fascinating study draws unique connections between Groucho's comedy and his life, concentrating primarily on the brothers' classic films as a means of understanding and appreciating Julius the man. Unlike previous uncritical and mostly reverential biographies, Siegel's "bio-commentary" makes a distinctive contribution to the field of Groucho studies by attempting to tell the story of his life in terms of his work, and vice versa.

The "Me" in the title is a comparatively unknown Marx named Julius (1895-1977), who, under the nom de plume of Groucho, enjoyed a sensational career on Broadway and in Hollywood with such comedy classics as Animal Crackers, Monkey Business, Horse Feathers, Duck Soup, A Night at the Opera, and A Day at the Races. His solo career included work as a film actor, television game show emcee, and author of The Groucho Letters, Memoirs of a Mangy Lover, and his classic autobiography, Groucho and Me. With impeccable timing, outrageous humor, irreverent wit, and a superb sense of the ridiculous, Groucho tells the saga of the Marx Brothers: the poverty of their childhood in New York's Upper East Side; the crooked world of small-time vaudeville (where they learned to carry blackjacks); how a pretzel magnate and the graceless dancer of his dreams led to the Marx Brothers' first Broadway hit, I'll Say She Is!, how the stock market crash in 1929 proved a godsend for Groucho (even though he lost nearly a quarter of a million dollars); the adventures of the Marx Brothers in Hollywood, the making of their hilarious films, and Groucho's triumphant television series, You Bet Your Life!. Here is the life and lunatic times of the great eccentric genius, Groucho, a.k.a. Julius Henry Marx. "The book is never less than readable and its glimpses of American show business at its least glamorous are simple, true and sometimes rather touching."—Times Literary Supplement "My advice is to ration yourself to a chapter a night—it's that delectable."—Chicago Sunday Tribune

This inspired bio musical about The One and Only begins with Groucho as an old man doing his famous Carnegie Hall show. It then goes back to the beginnings of the Marx Brothers and their struggles to make it in vaudeville, their rise to stardom and their eventual break up. All classic Groucho songs are included. One actor plays Groucho, another plays Chico and Harpo, and one actress plays all the wives, girlfriends and Margaret Dumont. A hit in New York, across the U.S. and in London, this show will delight Marx Brothers fans and the as yet uninitiated.

"Included among these essays are his featherbedding campaign against standardization of cots, a defense of bedbugs, and a full chapter on 'The Advantages of Sleeping Alone.' Not only has Groucho made his BEDS; he lies in it. Call him bedroom radical, call him dreamer, call him collect, Groucho's BEDS is the last word on bedroom bedlam, and 'no Marx ever breaks his word-except maybe to an employer, the landlord or a lady' --

No personage is too big, no nuance too small, no subject too far out for Groucho's spontaneous, hilarious, and ferocious typewriter. He writes to comics, corporations, children, presidents, and even his daughter's boyfriend. Here is Groucho swapping photos with T. S. Eliot ("I had no idea you were so handsome!"); advising his son on courting a rich dame ("Don't come out bluntly and say, 'How much dough have you got?' That wouldn't be the Marxian way"); crisply declining membership in a Hollywood club ("I don't care to belong to any social organization that will accept me as a member"); reacting with utmost composure when informed that he has been made into a verb by James Joyce ("There's no reason why I shouldn't appear in Finnegans Wake . I'm certainly as bewildered about life as Joyce was"); responding to a scandal sheet ("Gentleman: If you continue to publish slanderous pieces about me, I shall feel compelled to cancel my subscription"); describing himself to the Lunts ("I eat like a vulture. Unfortunately the resemblance doesn't end there"); and much, much more. That mobile visage, that look of wild amazement, and that weaving cigar are wholly captured, bound but untamed, in The Groucho Letters.
