Synopsis. At age 28, Frances Kermeen gave up her life in California to follow her dream of owning an inn - little did she realize that she was being drawn to her destiny. In the eight years that Frances owned the Myrtles Plantation, she was confronted by phenomena's far stranger than just ghosts - incredible encounters that blew away her core beliefs.

Myrtles Plantation: The True Story of America's Most...

IMO the fact the book is the story of the author's relationship with the house (a haunted antebellum plantation in La.) and its effect on her personal relationships is fascinating and the fact that the place wreaked havoc on her marriage, that her husband seemed to be "overshadowed" by whatever disturbed, blinked or sinister forces are at work in the place, is quite interesting since personal imbroglios often seem to be the reason the troubled spirits remain locked in residence at the myrtles.
