This text is a practical introduction to athletic training, grounded in real-world, everyday sports settings and an ideal guide for giving trainers the knowledge they need to be successful in an athletic setting. Instead of overwhelming the reader with details on all injuries and illnesses, this guide details common injuries and outlines special tests and rehab protocols that should be utilized to address those injuries. Readers will learn the various injuries an athlete may incur, the appropriate treatment and protocols to improve the athlete ' s ability to return to play safely, and the healing process associated with the specific injury. The text has an easy to follow format, concentrating on injuries for each major region of the lower body and then focusing on the upper body and its common injuries. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

World-renowned 'tell it like it is' guidebook Discover Canada with this comprehensive, entertaining, 'tell it like it is' Rough Guide, packed with comprehensive practical information and our experts' honest and independent recommendations. Whether you plan to do snowboarding in Whistler, go whale-watching off the spectacular coasts, hike through the Canadian Rockies, or marvel at the Niagara Falls, The Rough Guide to Canada will help you discover the best places to explore, sleep, eat, drink and shop along the way. Features of The Rough Guide to Canada: - Detailed regional coverage: provides in-depth practical information for each step of all kinds of trip, from intrepid off-the-beaten-track adventures, to chilled-out breaks in popular tourist areas. Regions covered include: Toronto, Ontario, Montreal, Quebec, Newfoundland and Labrador, the Prairie Provinces, the Maritime Provinces, the Canadian Rockies, the BC interior, Vancouver and the North. - Honest independent reviews: written with Rough Guides' trademark blend of humour, honesty and expertise, and recommendations you can truly trust, our writers will help you get the most from your trip to Canada. - Meticulous mapping: always full-colour, with clearly numbered, colour-coded keys. Find your way around Quebec, Newfoundland and many more locations without needing to get online. - Fabulous full-colour photography: features a richness of inspirational colour photography, including the atmospheric Helmcken Falls in British Columbia and dramatic Hopewell Rocks coastline in Nova Scotia. - Things not to miss: Rough Guides' rundown of the Canadian Rockies, Vancouver, Toronto and Montreal's best sights and top experiences. - Itineraries: carefully planned routes will help you organise your trip, and inspire and inform your on-the-road experiences. - Basics section: packed with essential pre-departure information including getting there, getting around, accommodation, food and drink, health, the media, festivals, sports and outdoor activities, culture and etiquette, shopping and more. - Background information: comprehensive Contexts chapter provides fascinating insights into Canada, with coverage of history, religion, ethnic groups, environment, wildlife and books, plus a handy language section and glossary About Rough Guides: Rough Guides have been inspiring travellers for over 35 years, with over 30 million copies sold globally. Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

If you run into a whirlpool while swimming at sea, be careful not to fight it. Let the whirlpool pull you down and as you touch the bottom, swim back up. Any other attempt to fight the whirlpool will most likely cause a loss of power, swallowing water and even, drowning and death. Although the guidelines are simple, implementing them at the decisive moment is very difficult, possibly even impossible and unlikely. This brief guide will teach you how to apply the impossible in the moment of truth. Thousands of people in the world, young and old, encounter the same whirlpools in life and instead of doing what they are supposed to do; they fight, get nervous, depressed, start having tantrums and get even more complicated with that whirlpool. Even if you are in a whirlpool right now in your life and even if you have not encountered it yet, there is something to do and you can get out of it stronger, or get ready for the next whirlpool waiting for each of us around the corner.
